Service Provision Agreement

Date:

This document is an agreement between the Norwegian Bioinformatics Platform (NBF) and

specifying the extent and funding of our common project. It does not legally bind the involved parties beyond the transfer of funding and work description, as specified in this document. By signing this agreement, the following standards are to be adhered to:

- Standard Conditions for the execution of assignments (see attached document)
- NeLS: Norwegian e-infrastructure for Life Sciences - Technical overview for users

The Norwegian Bioinformatics Platform should be mentioned in *acknowledgements* if the work results in a publication. If the bioinformatics personnel contribute with their scientific knowledge to solve the scientific questions, they should be co-authors according to the *"ICMJE Uniform Requirements for Manuscripts Submitted to Biomedical Journals concerning Authorship and Contributor ship"* (Vancouver rules).
